

Divine Woman Pledge

This is my pledge to you, my Divine Sister.
I pledge to honour your heart and who you are.
Together in this circle, you are safe.

I SEE YOU.
YOU SEE ME.

Our soul, spirit and energy are connected.
All that I pledge to you, I also pledge to myself.
I pledge to honour my heart and to speak my truth.

In our darkness we lift each other to the light.
In our tears we embrace each other in our arms.
In our happiness & joy we lift each other up even higher.
We pledge to support and encourage each other.
Together we are united in strength, in honour, in trust.
Together let's embrace our Divine Feminine.

YOU ARE A DIVINE WOMAN.
I AM A DIVINE WOMAN.
